EDITORIAL

Editorial,

Recently I received a very stimulating letter from a reader who felt I was not giving every thing I could to the transgendered community. In fact the writer felt that some of what was being produced in our video line was even a little demoralizing to women! At first I felt embarrassed, then upset with my own judgement on the subject; that I came to my senses, and reminded myself. I am in the entertainment business so to speak and cater to many different tastes and fantasies!

In no way do I condone negative behavior toward women or anyone ladylike for that matter, but in the context of fun and fantasy we are all bitches once in a while if you get my drift! However in the future I promise to take this whole issue more to heart; to offend even one person is too many for me.

If you watched Joan Rivers in recent weeks you may have watched our cover girl Delicious! We have been very lucky to Cim shooting away in New York bringing us the latest in gossip and beauty; the gossip these days on former Kim Christy stars who moved to the Big Apple is still the same; drugs, sex and rock and roll are going to make short lives for some former beauties!

If you had this problem wouldn't you seek help? There are many places to go. Write me; I will be more than happy to lend a hand and the 20¢ for the phone call!

Love Ya All,
Kim Christy

Boy To Girl

On Sunday Denise went over to Debbie's and the two spent the entire afternoon trying on clothes and making up. He was an avid student, absorbing as much information as he could about makeup, clothes and hair. Debbie was surprised at the new lack of self-consciousness about his femaleness. Though late in the afternoon, as Debbie fussed over his hair, he admitted that he was worried about school.

"Why?"

"Why? I left there six weeks ago as a boy and now I am returning with this?" he said, pointing to the frothy pile of curls atop his head. "And these," he said, cupping his breasts.

"But everyone knows something happened to you."

"They do?"

"Well, yes. I mean, it was happening before you left, you know."

"What are they saying about me?"

Debbie stopped teasing his hair for a moment. Their eyes met in the mirror. "They're saying you're a girl now, a beautiful girl."

"How do they know that though?"

"I told them," Debbie blurted out.

"What did you say?"

By Leigh de Santa Fe

"I said that you body had changed and that you and your parents decided it was best if you started wearing . . . girls' clothes for a while."

Debbie's matter of factness made Denise blush.

"And I said that you were really pretty."

Denise sighed, his bosom heaving beneath his blouse. "Do you really think I'm pretty, Debbie?"

"Shut up, big tits, and let me finish your hair."

"I hate that word."

"What? Tits?"

"Yes. Do you really think my breasts are big?"

"Oh, you just want to hear me say it. Yes, of course they're big. 36C cup is big, darling. The boys are going to love you."

Denise looked up at the mirror. "No, they won't. They'll think, 'He's a boy who looks like a girl.'"

"How long do you think that will last?"

"Well, I'm not a complete girl, you know."

"They won't be seeing that though, will they. And besides how will they know it's still there?"

Denise smiled at his reflection. It's kind of like being a spy. Like Mata Hari," he said, covering his face like a veil with a thick coil of brunette curls. Debbie recaptured them and resumed brushing.

"At least you won't have to take P.E. anymore."

#

The next day Denise and his parents met with the Junior college counselor, Mr. Belson and he school nurse, Miss Ashley, to talk about "Denise's" return to school. Denise wore a long sleeve ribbed knit dress that revealed the contours of his new topography with such drama that Mr. Belson had trouble looking at the statuesque young tart without staring in awe. It pleased Denise to no end to see that the slightest shifts in his

posture reverberated throughout Mr. Belson's libido like tiny seismic disturbances.

"Denise seems to be adjusting to her new role very well," Mr. Belson said, looking first at Denise's father who shifted uncomfortably in his seat and then at his mother who beamed with pride at her son's beauty and finally at Denise himself, whose demure lips opened and seemed to Mr. Belson to mouth the words, "Fuck me." Belson turned crimson and then said, "Well, I guess that's it unless you have anything else, Miss Ashley."

"I'm just wondering what bathroom Denise will use," Miss Ashley said matter of factly.

"Well, I uh," Belson stumbled.

"Why can't he use the girls' bathroom?" Denise's mother asked impatiently.

"She could but I'm afraid of what would happen if she was . . . indiscreet," Miss Ashley said, politely correcting his mother's slip.

"Denise is a lady," his mother insisted. His father winced.

"Why don't we try it for a while and see how it goes," Mr. Belson intervened.

Miss Ashley sighed and retreated. The meeting was over.

That night Denise stared at the ceiling and thought about Mr. Belson. "How nervous he was. He couldn't take his eyes off my breasts. I controlled him just by touching my hair or shifting in my chair. These are powerful," he thought to himself as he cupped his heavy bosom in his hands. He decided to experiment more with his new powers and when he appeared at the breakfast table in the morning, his clothes were even more provocative. He wore an ultratight v-neck red sweater and designer jeans which left nothing to the imagination. His hair was tied high up on his head and bounced merrily against his back in a thick spring-loaded ponytail. His adorable bangs enhanced his tantalizing couture. He chose

the brightest red lipstick he could find and his alabaster cheeks were brushed dramatically with pale rose blush. He was ready to turn heads.

First class was English with Mr. Bostick. The usual preclass din was in full sway until he appeared in the doorway. Then the heads not only turned, jaws dropped and tongues fell out as the prettiest boy in school took his old seat. He waited for Mr. Bostick to make a speech about his return and it seemed as though that might have been the teacher's plan until he'd seen the statuesque boy's transformation. He was literally speechless before such a bewitching metamorphosis. Denise breathed a sigh of relief (an event followed by every male in the room) and felt secure in the knowledge that his imposing beauty had helped him escape an embarrassing situation.

The rest of his classes followed a similar pattern. The few who weren't aware that he'd left school weeks earlier as a boy were soon appraised of the fact and turned to stare with undisguised wonder. He smiled politely at the girls and suggestively at the boys and basked in the reflected heat generated by his homecoming. No one talked to him between classes and he spoke to no one until he saw Debbie in the halls between classes.

"How's it going?"

"Not too bad, I guess. Everyone thinks I'm a Martian but I don't care."

"You're too beautiful. That's the problem. They can't believe someone with a set like yours was a boy a few weeks ago."

Denise smiled. "Gotta go."

"Bye."

He walked down the corridor feeling the tightness of his sweater against his breasts, the swish of his pant legs and the clicking of his heels. He felt good. He felt alive. This feeling

Letters to Kim Christy

If you wish to write to Kim and possibly have your letter published please send all correspondence to F.M.I., POB 1622, Studio City, CA 91614. All letters sent are considered for unconditional publication unless otherwise specified. If you wish to have your pictures published as well, please see the new requirements for models releases and ID on page 39.

Dear Kim,

I hope this missive finds you well and I'm fine.

As you are aware, I've sent you two letters to the editor (so for you've published one) and I've submitted two ads for use in FMI. Maybe you can tell I'm not too bad with my use of words.

Recently I've written a very short story (suitable in size for FMI) and a poem The Story about my "gender lifestyle". Also I have done a photo set, also suitable for use in FMI.

If you are interested in publishing any or all of the above mentioned, do you have anything to offer for them (from money to extended FMI and or Sissy subscriptions)?

Let me know if I should send them in for your approval.

Sissy Love.
Kimberly

Dear Kimberly,

As always we are more than happy to review any and all stories, poems and tidbits from you and all our other readers. So come on, girl, get that stuff in the mail, so you can see more of your own information in print.

*Thanks,
Kim*

Dear Kim,

First of all thank you for publishing and devoting a full page is to apologize to the many TV's and CD's I may have inadvertently offended with my comments about hairy legs and five o'clock shadow. That was not my intent. After I read my letter, I realized that I was more than a little harsh, to say the least. I let my fingers type the words before

my brain had a chance to analyze them. I would not want anyone to think I am a TV/CD bashing old queen and I am certainly not a young, perfectly dressed and manicured doll.

I, of all people, should realize that TV's and CD's must survive in various stages of femininity. Some can not shave their legs or bodies which I fully understand and sympathize with. Just to put on a bra or a pair of panties makes some feel very feminine without needing to shave or put on makeup. There are times when I can only dress partially.

The intent of my words was to bring out the fact that there are some TV's and DD's who seem to go out of their way to expose their private parts and I do not find this attractive. I realize that it is their right to express themselves the way they wish. It's just that I always felt that if you

were dressing to feel feminine, you would want to keep your private parts hidden to further enhance the feminine image and the illusion. Even a TV or DC who doesn't have shaved legs and other body parts can look very feminine and pretty with the proper covering. There are many TV's and CD's who are unable to shave their legs and chest, yet they are still very feminine and desirable when they dress. When advertising in a magazine that caters to TV's and CD's, the reader assumes the advertiser is a male unless the ad states that "she" is a female. It is not necessary to remove any doubt that one is a male. I realize that some TV's and CD's enjoy exposing themselves just as I enjoy exposing a little lace on the hem of my slip or my lacy bra under my see-through blouse. I guess there is that little bit of "I'm really a boy" in all of us. We just all show in different ways and degrees. I always try to strive for femininity when I dress and I was certainly being overcritical of my sisters, who for one reason or another, can not or do not wish to be totally feminine. Again I sincerely apologize to all my TV and CD sisters.

Love and Kisses
Francene CT.

Naughty Francene,

Of course your very sincere apology is accepted on behalf of FMI and its readers. We all make this mistake at one time or another. I been known to put my own high-heeled foot in my mouth more than a few times, so who is perfect?

K.C.

Dear Kim,

After many years of frustration, I'm comfortable with my femme destiny. This gallant

self-exploration has endured and strengthened my inner being. In an effort not to be overly redundant pursuant to viewpoints offered by my TV/TS Sisters, I must admit that my being a beautiful transvestite has in fact elevated my sensitivity as a complete human being. Being of Afro-American descent, the trials and tribulations are even greater. To this end, I realize that cultural descent becomes highly

insignificant when reviewing stories, publications, and advertisements submitted by my TV/TS "Sisters" from around the world. Our common bond is apparent irrespective of race, color or creed.

Subsequent to literally spending thousands of dollars on my femme wardrobe, magazines and videos, I've determined that my representation warrants dignification without bias.

Girl, it is with this note of emotional gesture that I appeal to your sensitivity. It is my hope, with anticipation, that my "Sisters of Color feel the pride and joy of their femininity. Though we're not represented as

often and not as gracefully through pictorial and/or articles per FMI etc. publications, trust me, honey, our consumer contribution is significant.

I'd love to feature an article semi-annually to induce the growth of our participation. As discrimination is prevalent in our TV/TS society, we can ill afford not to consolidate our mutual en-femme aspirations. Together, honey, we can conquer the negative elements and set forth superlatives of TV/TS manifestations.

Therefore, I am enclosing a large picture of myself en-femme for you to feature "in color" at your discretion. Additionally, I am also submitting a smaller picture to be featured in my first advertisement ever. Kim, girl, I am confident, pretty, and alluring. I hope your courage to feature my pictures and publish this letter establishes a symbolic revelation. Not only have I responded to your request for more pictures. I've revealed my heart, emotions and photographs to further demonstrate my personal commitment to our existing TV/TS society.

To my sisters' of color I send this special note;

"Writing more letters, submit more photos and by all means, girls, support FMI and all of Kim's publications. Girlfriends, Kim is our connection to the world, realizing all of us as one."

Kim, girl, I love you and many thanks to presenting us girls with dignity and sophistication.

Love
DeVita Chanee

All right, girlfriends, you are reading how to make it happen! Get with it. Reveal yourself now and for always. Lets see you and hear from you. It only takes ten minutes to express yourself in a letter!

DAYLICIOUS

NEW YORK TRANSSEXUAL STAR

BY GUESS WHO

DAYLICIOUS, sounds juicy already! Well, DAYLICIOUS isn't your ordinary transsexual. I'd say she is a girl who knows what she wants. Like BRIGETTE NEILSON said, "I want to be two things, RICH & FAMOUS, and from the looks of current trends going on in New York, DAYLICIOUS is well on her way."

She is a trained dancer, model, and is highly accomplished in the many levels and techniques of skin care and make-up, which she trained for in Paris. DAYLICIOUS is from the ritzy state of Connecticut, where she developed her womanhood at the early age of 17.

In 1991 NEW YORK AND MANHATTAN were introduced to the fabulous world of DAYLICIOUS, which has been going non-stop ever since. While in Manhattan DAYLICIOUS enrolled in F.I.T. (FASHION INSTITUTE OF NEW YORK), where she developed her glamour and style, as displayed in the fabulous layout before your very eyes. Eat your heart out.

DAYLICIOUS recently appeared on the talk shows GERALDO AND SALLY JESSE RAFAEL, and by the time you read this article she will have already appeared on THE JOAN RIVERS SHOW. The topic, Corsets and Unusual Girls. DAYLICIOUS enjoys reading while taking a break from club dancing and personal appearances on the club circuit. Be on the lookout, girls, this is just the beginning of a DAYLICIOUS time.

stopped abruptly when he pushed the heavy door into the girls' bathroom. A mangy quarter of tough girls fixing their hair and makeup turned to look at him. He smiled and went into a stall and shut the door. Like most stall doors the lock hadn't functioned in years and only gravity kept it shut.

They girls resumed their conversation in stage whispers.

"I don't think he looks that great."

"His bra's gotta be padded."

"I heard he still has his dick."

"He's probably standing over the john right now."

"Hey, leave the seat down, will ya?" Laughter. They moved to the front of his stall and began whispering in earnest.

"Hey, Denise."

"What?"

"We want to see it."

Silence.

"Come on, Denise, we're all girls here, right?"

Denise tried to move his knee against the door but it was too late. As the door flew back he stood up hastily and made a futile effort to pull up his jeans.

"Oh gross!"

"It's huge!"

Denise tried to cover himself but it was too late. He burst out crying and made the impromptu decision to cover his face rather than his privates. It was a bad decision. One of the girls had a Polaroid camera and flashed a quick snap of the pretty girl and the unquestionably large remanent of her manhood.

"You won't be so haughty after this gets around, Big Dick."

"See if his tits are real," one of the girls said. Another girl responded by ripping Denise's sweater open, exposing his pert 36C cup breasts bouncing in a lacy black brassiere.

The camera whined again, capturing the conundrum of Denise's body and her anguish at its rude exposure. Denise took his hands from his face to scream at his antagonists but that only served their interests

better when a third picture was snapped that showed the pretty girl with the bouncing ponytail revealed, cock flopping and cleavage popping.

This was the picture that went into wide circulation throughout the school the next day, reaching Mr. Belson's desk sometime in the late afternoon. It was a crude xerox of a xerox but Denise was still clearly recognizable. Curiously, his look of anger had mutated in the copy machine into cartoonish surprise, giving the photo the look of a burlesque postcard, the kind where an airbrushed cutie loses her bathrobe to an obliging gust of wind. The fact that much more was revealed than a pair of white buns added a certain piquancy. What remained in the viewer's mind after the picture was gone was the magnitude of both his male and female attributes and, of course, his stunning face.

The next day when Mr. Belson called Denise into his office he expected a somewhat chastened version of the vixen he'd met at the parent conference. He was surprised to find that Denise was unrepentant. He wore a scooped-neck leotard that exploited the fullsome beauty of his bust and a denim sheath skirt fit tightly around his derriere. He wore his hair down and it framed his face in soft waves of kittenish abandon. There was nothing about him that suggested he had a secret surprise in his panties or that the humiliating events of the past two days had daunted his hussy image.

"You don't seem bothered by this, Denise," he said, holding the picture up.

"I am but I can't let it show or it will only get worse."

"So you hide your true feelings."

"I suppose."

"Is that wise?"

Denise looked into his eyes.

"Mr. Belson, I know I'm a girl now.

I have breasts and a girl's figure. I also happen to have a penis. Now everyone knows it. It's not a big deal."

Belson stared in awe at the lovely boy/girl's insouciance. Then he looked down at the key in his hand and said, "Well, I don't think it's wise to use the girls' bathrooms anymore. I'm going to give you the key to the faculty bathroom. Do me and yourself a favor and keep the door locked from now on."

Denise took the key and headed for the door. He turned round as he touched the doorknob and said "Don't worry about me, Mr. Belson. I know what I am."

Yes, you're a slut, Belson thought as the pretty boy/girl left.

The next few days were difficult ones for Denise as her notorious picture circulated throughout the whole school. Taunts of "Big Dick" and "Cock Girl" were whispered behind her back in the corridors and her old friends, including Debbie, were embarrassed to be seen with her. She didn't seem to mind much during school but at night, as she sat before her vanity, she would burst into tears when she scanned her lovely image in the mirror and saw her big cock resting peacefully inside her tircot panties like a python in repose.

Nevertheless she was determined not to back down and each day her provocative clothes reflected a "Take No Prisoners" attitude that did little to let the controversy around her subside. One day she arrived at first period English class in a bustier and short black skirt with a bolero jacket that mitigated her delicious cleavage but not by much.

"Denise, I'm afraid I'm going to have to ask you to go home and change," the principal had said after calling her into his office.

"Why?"

"I think that's fairly obvious," he said, uncomfortably.

"Not to me."

"You can't come to school dressed like Madonna and expect to get away with it."

"You don't have to worry about the boys. Not one has even spoken to me since I've come back to school."

"It's not just the boys, Denise. It's . . . everyone," he said, letting his own eyes drop for a moment to savor those milk white doves cupped in black underwired lace. "You're here to learn not to . . . parade around in your underwear."

When his mother pulled up to take him home she feigned shock by his brazenness. "Denise, you've got to tone down. For goodness sake, you look like a whore," she said laughing but Denise could tell she took great pride in his "stop a train" figure.

When they got home he changed into a tight black sweater. "That's better," she smiled. "Much more ladylike." In fact, it was even more tantalizing than the bustier but it didn't get him kicked out of school.

#

Belson stood relieving himself in the faculty bathroom when the door lock clicked and the knob turned. He glanced over to see Denise closing the door behind her.

"What are you doing in here?" he yelled.

"Don't worry, I locked the door," she said, sliding up to him at the next urinal and unzipping her jeans. He looked straight ahead, his face a pinkish white as she made water next to him and the perfume of her hair filled his nostrils.

"Am I embarrassing you, Mr. Belson?" she said huskily.

He stood silently as she studied his face. He could feel her eyes shifting down to his cock, examining it. After what seemed like an eternity he finished, zipped up his pants and turned toward the exit. But Denise turned and stopped him. Her pink-nailed fingers shook her big

cock in his direction.

"Look at it, Mr. Belson. I know you've wanted it since that first meeting. Go ahead. It's not a snake. It won't bite."

"Get out of my way, you little slut."

"Look at it," she screamed.

He glanced down.

"That's it. Not so hard, was it? But it could be. Here, touch it." She reached out and grabbed his hand and placed it on the large tube of flesh. His hand curled around it like tendril on a trellis.

He looked at her. She was never more captivating. The soft brunette hair that framed her face, the thick bangs that fell above her wide eyes, the lovely innocence of her white skin belied the power of her spell, the cruel womanliness of her demands. She was irresistible. A wave of yielding weakness passed through him with a visible tremor and pulling her thick root like a handle, he drew her close and kissed her lips.

As they kissed, she unzipped his pants and her hand slid through the opening to retrieve his cock. It was hard. She was not surprised.

She pulled back and smiled at him. "Do you want me?" she asked, in a husky babydoll whisper.

He said nothing but buried his head in her thick hair till he reached her neck and let his tongue answer with a long kiss that made its way from her neck to her mouth.

"Suck me, baby," she said.

Now he pulled back and looked at her with faint apprehension. "You do what I tell you, boy," she said, in a soothing maternal voice.

He sank to his knees and looked up at her in helpless supplication. She smiled down at him and hoisted her tube top and bra up over her breasts, letting them sway above him like dark shadows. She smiled again. "Go ahead, baby." I'm over eighteen!

She guided her big cock to his mouth and drew it across his lips a few times before they opened and opened and opened and soon it was glistening and gliding, in and out across his tongue, down his throat, over his lips and back, swelling with each stroke until it threatened to choke him.

As he fell into the rhythm of the trancelike motion, Denise turned toward the mirror and studied this strange tableau vivant. Her body now arched over the supplicant, hands against the tiled wall, breasts spiraling over him like heavy fruit and he below, shaking the tree by its thick trunk with drunken abandon. The thrust of her round, white buttocks; the dark, shimmering hair falling around her head, shaking with each lunge; the pouting, mocking lips, the raw, redness of her glistening cock. Were these the devices that pumped the blood to her groin or was it Belson's unschooled lips, his untalented tongue? No, it was her and her alone. The juicy vision of her contradictions, the crucifying beauty of her womanly body and her red male member, the sweetness of her face and the cruelty of her desire, the mingling of innocent youth with ravenous lust. The puppet Belson. She smiled at the ease with which she pulled his strings and her triumphant smile unexpectedly brought forth the streaming, white jism that flowed out the sides of his mouth and spurted into his damp hair and fell to the tiles in clotted, milky drops. Before the last spunk was spilled Denise pulled away from Belson to face the mirror and grasping her cock with both hands, she took aim at her own deliciously bawdy image. A final shot, issuing from deep within her groin, arced and hit the mirror, clouding the reflection of her face with hot, white cum.
